**TO WHOM THIS MAY CONCERN**

*It is with great pleasure we write to show our appreciation of Deborah Langley.*

*We have greatly enjoyed our dealings with Deborah for a number of years now. The Bayford Group each year put on a Christmas Dinner Dance for our staff; we usually have around 300 people attend this function which is always a sit down dinner with live entertainment.*

*Our company is made up of many different nationalities, religions, social backgrounds and a very mixed age group therefore it is not an easy task to put together an event that will cater for the needs of such a diverse group.*

*Deb has always found wonderful venues for us. She meets the criteria each and every time and her attention to detail is absolutely wonderful. Deb has a great relationship with her suppliers and contractors which is always noticeable and admired. When it comes to the entertainment side of things our group would not be the easiest to please but Deb has managed to get it right each and every time. Deb is always there on the night making sure everything is going to plan and will accommodate any changes or situations that may suddenly arise, this is done without any stress or inconvenience to us or our guests.*

*Many years ago we would put these things together ourselves but will never again after the wonderful experience provided by Deb and her colleagues.*

*Each year our staff tell us this was the best Xmas Party then the next one comes along and they say how are you going to top that one? Deb always does!*

*We truly appreciate the work Deb does and look forward to our continued relationship with her.*
