To whom it may concern,

It is with pleasure that I write in recommendation of Deborah Langley

Deb has worked closely with UNQ over the past few years to deliver some incredible events. We work right to the wire and regardless of the time constraints and last minute changes Deb always manages to pull it off.

Each year we run two major events, our annual conference followed by a sit down dinner for approximately 900 people and our major awards dinner for approximately 1300 people. These events must cater to our sponsors as well as our staff and be worthwhile, energetic, dynamic and most importantly fun. With so many different sponsors and awards to manage it is nice to know that there is someone looking in from the outside to make sure everything is in place, someone to turn to who will sort out what you need quickly and efficiently without any stress.

Deb has a great eye for detail and will pick up on things that the in-house team might have missed, she keeps focused on the bigger picture and we are always astounded at how easily it all comes together on the night.

On the night, Deb is there with a smile on her face making sure that everything goes to plan, and as we change things around her, Deb doesn't miss a beat.

Thanks for all your hard work over the years!

Regards

Darren Lloyd
